About Armoire Campaign

Armoire Campaign is a six week cause activation that raises money for the world's greatest causes through the selling of Armoire vintage designed tee.

Every 42 days we partner with a new non-profit organization, raising funds and awareness that these organizations desperately need. Armoire team creates unique vintage artwork prints that sells exclusively on armoireapparel.com for 42 days. For every product sold, we give that campaign's non-profit organization Malaysian Dollars 9.99. E.g. if we sold 1000 "not just another tee" products, Armoire team would donate Malaysian Dollars 9,990.

Let's help make a better tomorrow.

Every "not just another Tee" is selling at Malaysian Dollars 39.90 (according to current exchange rate if Singapore dollars 15.60 will be listed. Feel free to email me for payment in Malaysian dollars).

About Charity

Save the Children creates lasting change in the lives of children in need around the world while maintaining own independence without political agenda or religious orientation. When disaster strikes around the world, Save the Children is there to save lives with food, medical care and education and remains to help communities rebuild through long-term recovery programs. As quickly and as effectively as Save the Children responds to tsunamis and civil conflict, it works to resolve the ongoing struggles children face every day — poverty, hunger, illiteracy and disease — and replaces them with hope for the future.
